To laugh often and much;
to win the respect of intelligent people and the affection of children...
to leave the world a better place...
to know even one life has breathed easier because you have lived.
This is to
have succeeded.

—Ralph Waldo Emerson

Board Update

The board has just approved two important repair projects, one for the parsonage and one for the fellowship hall. Both areas are in great need of stronger attic insulation. Since the cost of these—\$2,450 for the parsonage, \$4,150 for the church—is not small, any additional help from the congregation would be greatly appreciated. Please indicate on your check that your additional contribution should go to the attic insulation fund.

First Spring Service

A springtime service to start anew, with special music provided by Abe Khelah and poetry selections compiled by Lisa Erspamer.

A potluck follows the service—all are welcome to gather.

February Board Meeting

The next board meeting will be February 21 at 7:30 pm. This is a change in the time, and it will probably be somewhat permanent.
